After this date, no refund will be possible.

Canadian and European VISA and MasterCard credit cards are accepted.

Consent to the capture and publication of personal images

For the purposes of its teaching, research, recruitment and foundation activities, I hereby authorize Université Laval and its agents and subcontractors, as the case may be, to capture for photography or audio-video purposes and to reproduce, communicate and publish my image and voice, as the case may be, by the following means and under the following conditions: newspaper and magazine advertisements, advertising posters, Web sites, social networks and any other advertising material produced by Université Laval, for both the national and international markets.

This consent includes such retouching and modification of photographs and videos as may be deemed appropriate. It is conditional upon the use of my image and/or voice not

being prejudicial to my honour and reputation and upon such use being made in accordance with the consents contained in this form and for no other purpose.

I acknowledge that I do not own any copyright in the content produced hereunder and that no royalties are due to me for its use.

I acknowledge that I have been informed that the photographs taken and the audio-videos produced, as well as the information contained in this form, may constitute personal information held by Université Laval and that Université Laval, as a public body, is subject to the provisions of the Act respecting access to documents held by public bodies and the protection of personal information regarding the collection, use, holding, protection and retention of such information.

I am aware that this Act contains provisions relating to the rights of persons affected by personal information held by a public body, including the right of access.

I acknowledge that Université Laval determines the subject and context in which the images and/or voice of my person will be used. This consent is without territorial or time limits and is limited to photographs and audio-videos taken on June 1er 2024, as part of the "10th Annual Postdoctoral Career Research Day" event.

I confirm that I am 18 years of age or older and am competent to sign this consent and release of rights on my behalf.
